

# Bathroom Remodeling

Your Personal Sanctuary, Beautifully Reimagined.

From full gut renovations to targeted upgrades — custom tile, vanities, walk-in showers and premium fixtures. We turn dated bathrooms into stunning spaces you'll love every day.

## From Demolition to Dream Bathroom — Every Detail Handled

Every material selected, every surface waterproofed, every fixture precisely installed — the bathroom you've always wanted, built to last a lifetime.

## From Demolition to Dream Bathroom — Every Detail Handled

We manage every step of your bathroom remodel with expert craftsmanship, premium materials and meticulous attention to detail — delivering a space that's beautiful, functional and built to perform for years to come.

### WHAT'S INCLUDED

**01 Full Bathroom Gut & Rebuild**  
Complete demolition and rebuild with plumbing rough-in, tile, fixtures and finishes from a clean slate.

**02 Custom Tile Work**  
Porcelain, ceramic, natural stone or mosaic tile installed with precision in any pattern or layout.

**03 Walk-In Shower Construction**  
Frameless glass, custom surrounds, niches, linear drains and rainfall systems.

**04 Freestanding & Soaking Tubs**  
Freestanding, drop-in or alcove tubs installed with proper structure and plumbing.

**05 Vanity & Storage Installation**  
Vanities, shelves, medicine cabinets and smart storage designed to maximize every inch.

**06 Fixture Upgrades**  
Premium showerheads, body jets, thermostatic valves and tub fillers, fully installed and tested.

**07 Heated Floors & Ventilation**  
Radiant floor heating and upgraded exhaust systems for comfort and moisture control.

**08 Waterproofing Systems**  
Schluter or Wedi waterproofing in all wet areas to protect your renovation long-term.

### WHY CHOOSE TOP TIER

 **Waterproofing First**  
Improper waterproofing is the #1 cause of bathroom failure. We use best-in-class systems on every project.

 **Design-Assist Service**  
We help you choose tile, fixtures and finishes that work beautifully together and stay within budget.

 **Minimal Disruption**  
Structured schedules and clean job sites keep your home livable throughout the remodel.
